Dear Mr. Spreccace,

It is with great honor and enthusiasm that we write to inform you that the Connecticut Council of Police Unions, AFSCME Council 15, has reviewed your candidacy for election to the position of City Council and has voted to endorse your candidacy and work with you to ensure your election in November.

As you know, AFSCME Council 15 represents more than four thousand police officers in sixty-two municipalities throughout the state of Connecticut. On a daily basis we strive to ensure that our members are treated with dignity and respect, and that they are provided with wages, benefits, and working conditions that dignity and respect commands.

As a union we work daily with our state's legislators, political and business leaders, and citizens to promote the interests of police officers and to ensure that Connecticut understands the value of the services which our members provide.

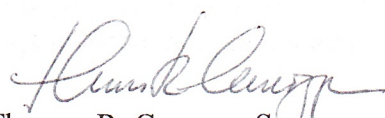

With your election in November, we anticipate that you will be a partner with us as we work to improve the conditions of employment for our brothers and sisters in blue, and we are excited about the prospects of working with you on municipal issues.

We wish you well as the election approaches, and ask you to call on us should you need our help or support.

Very truly yours,

Jeffrey H. Matchett
